Introduction

Channel Packaging Private Limited is a manufacturing unit having its plant & machineries at Bhiwandi (Dist. Thane) 30 kms. from Mumbai. It is witnessing growth at a very brisk pace, since its establishment in the year 2000, under the proficient headship of the honorable CEO Mr. Gala. The profound knowledge and rich experience of the CEO has assisted the company to acquire distinguished position amidst the dependable manufacturers & suppliers of food packaging products like Aluminium foils, Cling wraps, Paper cups, Ice-cream cups, Tissue-toilet rolls, Face tissues, Napkeens, Kitchen swipes, Disposable dinner wares, Food containers and infrastructure.

Started from a marketing service provider in the name of M/s Channel Packaging (Our Distribution Firm), Matunga, Mumbai -16, and now we have nine distribution centres (D.C.) and a manufacturing unit. The state-of-the-art infrastructure is backed with technologically advanced tools and machines that help in the quality and quantity production of the food packaging products. Our robust infrastructural base has played a vital role in strengthening the market position of the company in western India.

Quality Assurance

Owing to the priority to serve quality products, various stringent quality tests are conducted at various levels of production to the final stage of packaging. The quality tests are made, under the supervision of our quality control executives, on various quality parameters. Moreover, the quality products make us confident about the delivery of the products with zero manufacturing defects.

Packaging Unit

We have a huge packaging unit that is loaded with sophisticated facilities required to provide conventional packaging to the food packaging products. The packaging helps in safe & sound transit of the products. Besides this also helps in increasing the shelf-life of the products.

Our Brands

We have Registered Brands namely Orange, Funn and Magix, having smooth recall value and identification in terms of completely assured products.
